

HOLIDAY FRIENDS

CREATING A MORE JOYFUL SEASON FOR ALL

FREQUENTLY ASKED QUESTIONS

Q: How many children can I adopt?

A: As many as you would like! When filling out your interest form, you may indicate how many children you would like to adopt. For each child you adopt, you will receive a separate email containing information specific to each child for easier shopping.

Q: What type of presents do I buy?

A: Presents may be practical (coats/gloves/hats), educational (books), or fun (toys/games). If you need ideas about what to purchase, you may refer to our gift-giving guide.

Q: How much should I spend on the presents?

A: While there is no specific dollar amount assigned to each child, we ask that you allocate a minimum of \$100.

Q: Do I wrap the presents?

A: Please bring all presents unwrapped. This helps us to keep track of which gifts go where. However, you may include wrapping paper, bows, tape, and other wrapping supplies with your presents. We will pass them along to the child's guardian for them to use. You may transport gifts in bags if needed.

Q: How should I label the presents?

A: Please label each box/bag with the family number AND child number. These can be found on the wish list email you received detailing the child's information. The family number is located in the top paragraph and the child number is located next to their name and specific details.

Q: Where/When do I deliver the presents?

A: Presents can be dropped off at Beyond Housing headquarters (6506 Wright Way Pine Lawn, MO 63121) on December 12th-13th from 8:00 AM-6:00 PM. For your safety, this will be a contactless, drive-thru drop off.

Q: Should gifts be purchased for the parent(s)?

A: Gifts for the parents are not required, however some donors like to include grocery/gas cards, spa gift baskets, household supplies, etc. for guardians in the home.

Q: Who should I contact if I have questions?

A: You may contact us at holidayfriends@beyondhousing.org. This email will be checked Monday - Friday from 8:00 AM-5:00 PM.
